

THE SCIENCE BEHIND
**CANCER &
CORONAVIRUS**

**The Threat
of COVID-19
to Cancer
Mortality**

CANCER CENTER OPEN HOUSE

Join us on Zoom for talks and virtual guided tours inside our labs to see how researchers are responding to the special needs of cancer patients during the pandemic.

Scientists will be available to answer your questions.

Chanda Lab
Repurposed drugs for treating COVID-19

Snyder Lab
Mini lungs for testing COVID-19 drugs

Bradley Lab
COVID-19 and the immune system

**Thursday
November 12, 2020**

2:00-3:00pm Welcome & Talks

3:00-3:30pm Virtual Lab Tours
